Some street parking spaces may be available along Plato Boulevard from Wabasha Street West toward Harriet Island Regional Park. Local businesses near the event may offer parking on their property for a fee. These businesses may only accept cash to park on their property.

Handicap parking is available on the North side of Water Street between Wabasha Street West and Plato Boulevard (until full). Look for the Handicap Parking signs.

Drop-Off Location

It might be easier to get dropped off at the Irish Fair. I can be dropped off at the Gateway Entrance (main entrance). The drop-off address to use is 160 West Water Street, St. Paul, MN 55107.

If I use Uber or Lyft services to get to the Irish Fair, I should use the address listed above: 160 West Water Street, St. Paul, MN 55107.

Public Transportation

I can also take public transit to Irish Fair.

I can visit www.metrotransit.org to determine my route.

Shuttle

The Irish Fair shuttle vans will pick up passengers on South Robert Street in St Paul between East Fillmore and South Robert St, near River Park Plaza. There will be signs posted to help me find where to go.

Shuttles will run approximately every 10-15 minutes between East Fillmore pick up location and Harriet Island's main entrance.

Bike

I can also bike to the Irish Fair. Bicycles are not allowed on the fairgrounds, so I will need to park my bike near the Gateway Entrance (main entrance) on Water Street. Bike parking will not be monitored, so I should lock my bike where allowed.

Entering the Irish Fair

When I arrive at the Irish Fair, I will enter through the Gateway Entrance on Water Street. This can be a busy area, as there may be shuttles arriving/departing and people may be getting dropped off or parking their bikes.

Many people attend the Irish Fair, so there may be times that I am in a crowd or have to stand in a line. Other people may be noisy and may smell like sunscreen, bug spray, and/or body odor. I can bring headphones or earplugs to wear to block out some of the sounds. I can also move to a different area if I need a break from people.

If I have any questions or concerns while I'm at the Irish Fair, I can visit the Information Booth near the Gateway Entrance for assistance.

Food and Drink

There will be many vendors selling food and drink at the Irish Fair. Some vendors provide gluten-free and/or vegetarian/vegan options. Food and drink can be purchased with cash or debit/credit card.

I can review the Food & Beverage Menu ahead of time to help me plan where to eat.

Information is available at:

<https://irishfair.com>

Vendors

There are many vendors selling merchandise at the Irish Fair. I can look at the items for sale and make a purchase if I choose. All vendors will take cash; some will accept cards or checks.

Music

There will be six stages that will have live music. The main stage is where most of the international musicians will be. It is located on the permanent structure in the park. It is also the loudest and has the most space to move around if I don't like where I am standing.

The Celtic Junction stage is inside the Guinness Pub and will also have speakers amplifying sounds and can be loud. It's often very crowded and offers less open space. If it's a hot day, the inside of the tent can be hot even though it's shaded.

Dance

Dance is an important part of the Irish Fair. There will be dance performances by local Irish dancers. Many dancers will perform, and many of them wear curly wigs and white socks. The costumes can be very sparkly!

There will be various opportunities throughout the Fair to learn social dancing. Check the Irish Fair schedule to see when and where these will occur. I can find the event schedule here:

<https://www.irishfair.com/p/entertainment>

Fun and Games

There will be face painting, a caricature artist and an airbrush tattoo artist! Explore the Irish Fair and see what other fun and games you can find!

There are many opportunities at the Irish Fair to watch and/or engage in fun and games. You can watch Irish sports in person on Croke Park! These sports may include rugby, Gaelic football, hurling, and Camogie!

Accessibility

The Irish Fair welcomes individuals of all ages and abilities! If I have specific questions or concerns about accessibility, I can call 651-461-4990 or email info@irishfair.com.

Handicap parking is available on the North side of Water Street between Wabasha Street West and Plato Boulevard (until full). Look for the Handicap Parking Signs. Attendees can also be dropped off in front of the Gateway Entrance (main entrance).

Harriet Island has paved, level surfaces so wheelchair users and strollers can easily travel on the sidewalks. The grass in the park is also level to provide easy access to tents and activities.

I can bring sensory tools or other items from home to help make me comfortable while I'm at the Irish Fair. Service animals are welcome, but they recommend that pets should stay at home.
